

COMPLAINTS RESOLUTION POLICY

1. Introduction and Objective

Agisanang Insurance Administrators (Pty) Ltd (“Agisanang”) is committed to a high service standard, rendering financial services with integrity, the speedy resolve of complaints, and the overall improvement of processes even in the instance where a complaint may be viewed as ‘invalid’ in terms of the relevant policy wording. In this regard, each and every concern counts as valuable feedback that requires addressing in a meaningful manner.

The object of this complaints resolution policy is to formalize the process in which dissatisfaction is lodged, acknowledged, investigated, resolved, and leads to overall improvement/s.

It is furthermore important that each and every staff member receives extensive training in this regard, that this complaints resolution policy is made easily accessible to all policyholders, that this complaints resolution policy is continuously reassessed by senior management and that overall improvement/s are actioned as a consequence of feedback received from policyholders.

Please note that TCF and PPR (especially with regard to complaints) form part of each and every employee’s annual performance evaluation report, which is to be completed prior to any potential salary increase and/ or promotion.

Important and guiding material/ bodies include all six Treating Customers Fairly (TCF) Outcomes, the Financial Sector Conduct Authority (FSCA), and the Policyholder Protection Rules (PPR).

2. The Definition of a Complaint

A Complaint in terms of the Policyholder Protection Rules (PPR) means an expression of dissatisfaction by a person to an insurer or, to the knowledge of the insurer, to the insurer’s service provider relating to a policy or service provided or offered by that insurer which indicates or alleges, regardless of whether such an expression of dissatisfaction is submitted together with or in relation to a policyholder query, that -

- (a) the insurer or its service provider has contravened or failed to comply with an agreement, a law, a rule, or a code of conduct which is binding on the insurer or to which it subscribes;
- (b) the insurer or its service provider’s maladministration or willful or negligent action or failure to act, has caused the person harm, prejudice, distress, or substantial inconvenience; or
- (c) the insurer or its service provider has treated the person unfairly;
- Regardless of whether submitted together with or in relation to a policyholder query.

All complaints lodged with the Ombudsman/ FAIS/ FSCA are to be dealt with by The Insurer exclusively. All documents and information relating to such a complaint, must be sent to The Insurer within 24 hours of receipt of the complaint.

Note that there is no service fee charged for registering a complaint.

The Treating Customers Fairly (TCF) Outcomes include:

1. Customers need to feel confident that TCF is central to our culture;
2. Products are designed, marketed, and sold to the right customer, meeting their needs;
3. Customers receive clear information that is timely and relevant to them;
4. Customers receive suitable product/ sales advice that takes their circumstances into account;
5. Products and services perform as expected and the service is of an acceptable standard;
6. There are no unreasonable barriers for customers to change or switch products, claim, or complain.

3. The definition of a Complainant – who may complain?

A complainant is a person who has a direct interest in the policy/ service or someone acting on behalf of a person with a direct interest in the policy/ service.

For example a policyholder/ a person that pays a premium, his/ her beneficiary, a policyholder's spouse or registered dependents, or a potential policyholder whose dissatisfaction relates to the relevant application, approach, solicitation, advertising, or marketing material.

4. Outcomes of a Complaint

1. **Rejected:** the complaint was rejected, and Agisanang regards the complaint as **finalized** after advising the complainant that Agisanang does not intend to take any further action to resolve the complaint. A formal repudiation letter with all complaint details will be sent. There are two variations of a rejected complaint:
 - a) **Invalid:** the complainant does not accept or respond to proposals to resolve the complaint within 7 days. This includes sending relevant documentation, acting upon the advice of Agisanang as well as not being able to reach the complainant via telephone, SMS, and E-mail (if applicable);
 - b) **Unjustified:** the policy has been met, the complainant has been treated fairly as far as possible, there is no legal leg to stand on to assist the complainant, the complainant refuses to accept the outcome of merit assessment and nothing further can be done to assist the complainant.

2. **Upheld:** the complaint was successful either
 - i. **Wholly** (complainant got exactly what he/ she was looking for);
 - ii. **Partially** (complainant and FSP found middle ground).

There are also two variations of a wholly or an upheld complaint:

- a) **Compensation Payment:** to compensate a complainant for a proven or estimated financial loss incurred as a result of Agisanang's wrongdoing. This is either:
 - i. **Payment Contractually due:** the complainant should have received assistance and help from the start, a justified complaint;
 - ii. **Payment not Contractually due:** the complainant does not have legal standing or a legal argument, however, due to the poor handling by Agisanang in the form of negligence, Agisanang for example refunds the complainant his/ her premiums and cancels the complainant.

- b) **Goodwill Payment:** the complainant is not covered in terms of the policy, but Agisanang is willing and able to sponsor the matter due to extraordinary circumstances.

5. The Category/ Categories of Complaints

- a) The design of a policy or related service;
 - b) Information provided to the policyholders or lack of information and feedback provided to a policyholder;
 - c) Advice provided by the sales representative;
 - d) Policy performance and/ or servicing including negligence;
 - e) Admin services such as premium collection;
 - f) Policy accessibility, ability to change or switch;
 - g) Complaints handling (complaint of a complaint);
 - h) Complaints relating to insurance claims, such as a rejection of a merit assessment for litigation (in-Court) cover;
 - i) Other complaints.
